## NOTEWORTHY

- **REGISTRATION-** Please get your forms in ASAP as we begin to plan for next year.
- Paperwork sent home about **Invite a Friend to School Day** on May 12. Please read it over and think about a family that you may know that would like to become part of the Zion Family! Make sure any visiting children come to school that day with their permission slip!
- Don't forget to contact Robert Henrich at Common Ground if interested in gardening this summer!

**Rumble Ponie Game:** Please take note of the field trip form that was sent home about attending the game on Thursday, May 18. We will need many drivers to get us all there!

## Chicken BBQ & Plant Sale

June 3rd will be our annual Spring Chicken BBQ & Plant Sale, and we need your help! It will be the last fundraiser of the school year for PTL. Remember, these fundraisers have raised money to support our Art, Music, and Physical Education Programs as well as pay for your children's field trips and special items for their classrooms. We will be asking every family to take plant orders and sell BBQ tickets ahead of time, but will also need a lot of help that day to set up, serve, and clean up. Look for an info and sign up sheet to come home soon. The plant sale info is going home with this newsletter. There will also be a sign up sheet in the entryway on the gym door. If you need extra plant orders for friends and family they are available from the office.
