NOTEWORTHY

- As per the half sheet that went home recently we will be moving the Spring Program to 4/28 due to the number of Music classes we have missed because snow days. Please mark your calendars appropriately. All students PreK through 6th grade participate in this program.
- Gertrude Hawk orders will be coming in next week! Pick up will be Tuesday & Wednesday, 4/4&5.
- Due to the amount of Snow Days, Owego Apalachin and Zion will now be having having school **Friday, May 26th**. Also, OA and Zion will be having school **Friday, May 12**. Thank you for your understanding!

Box Tops for Education: Starting April 1st we will be having a classroom contest to see which class can collect the most box tops. The winning classroom will receive a special party for their efforts! Collection sheets for this will be sent home (although you don't have to use them) to help you collect those box tops. Put it on the fridge, tape the box tops to it as you get them, and watch the sheet fill up in no time! Contest will run through the end of May. Last year we collected \$870 in box tops so you can see they really add up!!!

Common Ground is looking for Gardeners: A half sheet was sent home recently regarding this project. Please contact Robert Henrich if interested or if you have any questions. The notice has only been sent to Zion students which is a special honor!
